

*I despised reflecting on my life because I was ashamed of the opportunities that I had missed. I would probably still be lingering on those moments if I had not decided to move forward. It has been, by far, one of the most exciting times of my life. The prequel is over. I am now writing my story.*

*“La primera obligación de todo ser humano es ser feliz, la segunda es hacer feliz a los demás.” - Mario Moreno (Cantinflas)*

*"The first obligation of every human being is to be happy, the second is to make others happy."*
